What is Imotara?

Imotara is an AI-powered emotional wellness companion — a private, judgment-free space for people to process feelings, build daily emotional awareness, and get support in their own language and tone. It's already licensed to individuals, corporates, NGOs and educational institutions — giving partners a ready-built product to bring to their own client relationships rather than building something from scratch.

WHO THIS PROGRAMME IS FOR

HR & wellness consultants

Add a ready-made digital wellness layer to the benefits packages you already design for corporate clients.

Education & NGO advisors

Bring subsidised, multi-lingual emotional support into the institutions and non-profits you already work with.

Agencies & digital consultants

Extend your service offering with a recurring-revenue product your clients will actually value and use.

Three tiers, one growing partnership.

Start as a Referral Partner with zero commitment, and grow into a Certified Reseller or Strategic Partner as your book of referred clients grows.

COMMISSION BY TIER

ILLUSTRATIVE EXAMPLE

Commission rate comparison

Recurring commission as a percentage of referred client's subscription value

Example earning scenario

Hypothetical — for illustration only, not a guarantee

Clients referred	Avg. deal size /yr	Referral (10%)
5 corporate accounts	₹1,50,000	₹75,000
10 individual upgrades	₹1,299	₹1,299
1 NGO licence	₹3,00,000	₹30,000

Figures are hypothetical examples to illustrate how commission is calculated — actual deal sizes and outcomes vary. Certified Reseller and Strategic Partner tiers earn a higher rate on the same deals.

Why this is a low-risk addition to your business

There's no cost to join, no minimum volume commitment at the Referral tier, and commission is recurring — you keep earning for as long as the client you referred stays subscribed, not just on the first sale.

HOW REFERRAL TRACKING & PAYOUT WORKS TODAY

Your unique referral code

On approval, you receive a unique referral code and link to share with prospective clients — used to attribute any resulting sign-up to you.

Deal registration

Register a prospect by name before you pitch — this protects your attribution even if the client also finds Imotara independently.

Manual reconciliation

Our partnerships team currently reconciles referrals and commission manually each quarter — a self-serve tracking dashboard is on our roadmap.

Quarterly payout

Commission is paid out quarterly via bank transfer or UPI, with a statement showing each attributed account.

Simple partner agreement

A short partner agreement covers commission terms, confidentiality and brand usage — no long-term lock-in for Referral Partners.

Your clients' data stays private

As a partner, you never gain access to your referred clients' individual conversation data — Imotara's privacy guarantees apply the same way to every account.
