What is Imotara?

Imotara is an AI-powered emotional wellness companion — a private, judgment-free space to process feelings, build daily emotional awareness, and get support in your own language and tone. Mood check-ins, a personalised companion persona, voice & text conversation, and gentle long-term memory — available on web, iOS and Android, with an offline mode that keeps core support working even without internet.

WHY PEOPLE CHOOSE IMOTARA

Completely private

Your conversations are yours. No one else — not even Imotara's team — reads them for anything other than powering your own replies.

Speaks your language

Hindi, Bengali, Tamil, Telugu and more — support that doesn't force you into English to be understood.

Works without internet

An offline AI mode on mobile keeps core support working even with patchy or no connectivity — always free, on every plan.

Simple, honest pricing. No hidden fees.

Start free forever — upgrade only when Imotara becomes indispensable to you. Every plan includes offline AI support at no extra cost.

Start Plus — ₹149/mo

Why ₹149/month is a smart spend for your mental health

One therapy session in India commonly costs ₹1,500–₹3,000. Imotara Plus gives you unlimited, 24/7 judgment-free support for a small fraction of that, every month.

SECURE PAYMENT METHODS

Razorpay

UPI, cards and net banking for India — Imotara never stores your card details.

Apple In-App Purchase

Managed entirely through your Apple ID on iOS.

Google Play Billing

Managed entirely through your Google Play account on Android.

Pay only for what you use — if you choose to.

Token top-ups are one-time credits that never expire — a flexible option for occasional users who don't want a recurring subscription.

COST COMPARISON — IMOTARA PRO VS. ONE THERAPY SESSION

Approximate annual cost

Based on Imotara's published Pro-tier pricing vs. reported average cost of a single in-person therapy session in India

Illustrative comparison. Imotara Pro annual list price: ₹1,199/year. Single-session therapy cost range reflects commonly reported urban India averages and varies by provider, city and specialisation.

Why this matters for you

A full year of unlimited Imotara Pro access — unlimited conversations, full history, neural voice — costs roughly the same as **one** in-person therapy session. It's a low-cost, always-available layer of everyday emotional support.

Your conversations belong to **you** — not anyone else.

Imotara is built around one rule: your data is yours to see, export, or delete, whenever you choose.

TRUST & DATA HANDLING

Encrypted in transit

All traffic between the app and Imotara's servers is encrypted (TLS). Payment details are handled by certified payment processors — Imotara never stores your card data.

Export your data anytime

Pro subscribers can export their full conversation and mood history as JSON or CSV, whenever they want a personal copy.

Delete your account anytime

Account deletion is available directly in Settings on both web and mobile — no support ticket required.

Offline AI, on-device

On mobile, offline replies are generated on your device — nothing is sent to a server when you're using offline mode.

Never sold or shared

Your conversations are never sold to advertisers or shared with third parties for marketing purposes.

Privacy-by-design programme

Data handling practices are being formalised against GDPR and India's DPDP Act as part of an ongoing compliance programme.

GETTING STARTED TAKES UNDER TWO MINUTES

1

Sign up

Create your account on web, iOS or Android — no card required for the Free plan.

2

Meet your companion

Choose a name, tone and vibe for your personal Imotara companion.

3

Daily check-in

Log your mood and start a conversation whenever you need to, in your own language.

4

Upgrade anytime

FREQUENTLY ASKED QUESTIONS

Q Is the Free plan really free forever?

Yes — 20 cloud AI messages per day, offline AI, mood check-ins and 7-day history, with no card required and no time limit.

Q What happens when I hit my daily Free limit?

Imotara never hard-blocks you — you're gently switched to offline AI for the rest of the day, or you can use a token top-up for extra cloud messages.

Q Can I cancel anytime?

Yes — monthly Plus and Pro subscriptions can be cancelled anytime from Settings; you keep access until the end of your billing period.

Q Do tokens expire?

No — token top-ups never expire. Use them whenever you like, on any plan.

Q Can I switch between plans?

Yes — upgrade, downgrade, or move between monthly and annual billing anytime from Settings.

Q Is my data private from Imotara's own team?

Your conversations power your own AI replies and are never sold or shared with third parties for marketing. You can export or delete your data anytime.
