T Token Packs — All Tiers · One-Time Purchase · Never Expire

Starter ₹49 100 tokens ₹0.49 per token	Standard ₹99 250 tokens ₹0.40 per token	Value ₹199 600 tokens ₹0.33 per token	Pro Pack ₹499 1,800 tokens ₹0.28 per token — best value
---	--	--	--

Token packs extend AI-reply capacity beyond the daily quota. Free tier: 10 replies/day included. Plus & above: unlimited daily replies included. All tiers can purchase packs.

1 Core Experience

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Daily reply limit	Max AI replies the user can send per calendar day before needing a token top-up	10/day	Unlimited	Unlimited	Unlimited	Unlimited	Unlimited
Companion tone selection	Choose the personality of the AI companion — Warm, Direct, Playful, Coach, etc.	1 tone	All tones	All tones	All tones	All tones	All tones
Response length control	Switch between short, medium, and long AI response modes to suit your reading preference	✗	✓	✓	✓	✓	✓
Companion personas	Themed AI personalities beyond the default — e.g. Coach, Listener, Challenger, Mentor	✗	✓	✓	✓	✓	✓
Conversation threading	Replies grouped into sessions or threads for cleaner, chronological navigation	✓	✓	✓	✓	✓	✓
Message search	Full-text search across conversation history to find past exchanges quickly	✓	✓	✓	✓	✓	✓
Offline mode	Browse previously loaded messages without an active network connection	✓	✓	✓	✓	✓	✓
Token top-up purchases	Buy one-time token packs (₹49–₹499) to extend reply capacity; tokens never expire	✓	✓	✓	✓	✓	✓

2 Voice & Audio

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Text-to-speech (TTS)	AI replies read aloud by a synthetic voice; Free gets device TTS, paid gets Azure Neural	Basic	✓	✓	✓	✓	✓
Voice input (speech-to-text)	Speak your message; it is transcribed before being sent to the AI	✓	✓	✓	✓	✓	✓
TTS voice selection	Choose from multiple Azure Neural TTS voices — male/female/neutral, regional accents	✗	✓	✓	✓	✓	✓
TTS rate & pitch control	Adjust speaking speed and pitch of the TTS voice for a comfortable listening experience	✗	✓	✓	✓	✓	✓
Azure Neural TTS (cloud)	High-quality, expressive cloud-rendered speech via Azure Cognitive Services	✗	✓	✓	✓	✓	✓
Offline / native TTS fallback	Falls back to the device's built-in TTS engine when the network is unavailable	✓	✓	✓	✓	✓	✓
Language-matched voices	TTS voice automatically matched to the user's selected app language for natural playback	✗	✓	✓	✓	✓	✓

3 History & Storage

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
History retention period	How far back in time conversation history remains accessible and searchable	7 days	90 days	Unlimited	Unlimited	Unlimited	Unlimited
Unlimited history	All conversations stored permanently with no rolling cutoff date — access anything, anytime	✗	✗	✓	✓	✓	✓
Local on-device storage	Conversations cached locally on the device for instant, offline access without a network call	✓	✓	✓	✓	✓	✓
History search across dates	Full-text search reaching further back than the current session — requires cloud history	✗	✓	✓	✓	✓	✓

4 Cloud & Sync

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Cloud sync	Conversations backed up to the cloud; Free tier is quota-limited (20 sync events/day server-side)	Quota	✓	✓	✓	✓	✓
Cross-device sync	Seamlessly switch between phone, tablet, and web app with full history available on each	✗	✓	✓	✓	✓	✓
Real-time sync	Changes on one device appear on all other devices within seconds, no manual refresh needed	✗	✓	✓	✓	✓	✓
Sync conflict resolution	Automatic merging when the same conversation is edited simultaneously on two devices	✗	✓	✓	✓	✓	✓

5 Analytics & Insights

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Emotion trend chart	Plots detected emotional states (joy, sadness, stress, calm) across days or weeks	✗	✗	✓	✓	Agg.	✓
Mood graphs	Visual weekly/monthly graphs of mood patterns derived from conversation tone analysis	✗	✗	✓	✓	Agg.	✓
Weekly emotional summary	Auto-generated narrative summary of the week's emotional themes, highs, and low points	✗	✗	✓	✓	✗	✓
Monthly growth letter	Personalised AI-written letter each month reflecting the user's progress and growth themes	✗	✗	✓	✓	✗	✓
Growth arc	Long-term narrative tracking how the user's emotional expression and resilience evolves over months	✗	✗	✓	✓	✗	✓
Conversation insights	Per-conversation annotations: key topics identified, emotional tone score, notable moments	✗	✗	✓	✓	✗	✓

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Streak tracking	<i>Counts consecutive days the user engaged with the app to encourage consistent emotional check-ins</i>	✓	✓	✓	✓	✓	✓
Session duration stats	<i>Shows how long each conversation session lasted — useful for understanding engagement depth</i>	✗	✓	✓	✓	Agg.	✓

EDU Agg. = Aggregated / anonymised data only — available to admins in the EDU dashboard; individual users do not see personal analytics.

6 Export & Data

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Conversation export	<i>Download conversations to a file for personal archiving, journalling, or sharing with a therapist</i>	✗	✓	✓	✗	✗	✓
Export as PDF	<i>Render conversation history as a nicely formatted PDF document suitable for printing or filing</i>	✗	✓	✓	✗	✗	✓
Export as CSV / JSON	<i>Machine-readable formats for personal data portability or third-party tool integration</i>	✗	✓	✓	✗	✗	✓
GDPR data request	<i>Download all personal data held about the account in a machine-readable package (regulatory right)</i>	✓	✓	✓	✓	✓	✓
Account data deletion	<i>Request permanent, irreversible deletion of all personal data from Imotara servers</i>	✓	✓	✓	✓	✓	✓
Bulk org export (admin)	<i>Export anonymised, aggregated data for all org users via the admin panel — for institutional reporting</i>	✗	✗	✗	✗	Anon.	✓

Family individual export is intentionally disabled — shared-device privacy boundary. EDU individual export is disabled; only anonymised aggregate export is available to admins.

7 Profiles & Family Safety

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Multiple profiles	Create distinct user profiles on one account or device — each with separate history and settings	✗	✗	✗	Up to 6	✓	✓
Profile switching	Quickly switch the active profile without logging out — minimal friction for shared-device households	✗	✗	✗	✓	✓	✓
Child-safe mode	Filters AI responses to age-appropriate language and blocks discussion of sensitive or adult topics	✗	✗	✗	✓	✓	✓
Parental controls	Parent can review child profile activity, set daily reply limits, and approve tone/persona changes	✗	✗	✗	✓	✗	✗
Family usage dashboard	Aggregated engagement metrics across all household profiles — streaks, session time, feature use	✗	✗	✗	✓	✗	✗
Profile-level privacy isolation	Each profile's conversation history is fully isolated — other profiles on the same device cannot view it	✗	✗	✗	✓	✓	✓

8 Notifications & Habits

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Daily check-in reminder	Push notification reminding the user to open the app at a chosen time each day	✓	✓	✓	✓	✓	✓
Custom notification schedule	Set specific days and times for reminders — granular control beyond a single daily slot	✗	✓	✓	✓	✓	✓
Streak break alerts	Alert sent when the user is at risk of breaking their current engagement streak	✓	✓	✓	✓	✓	✓
Milestone celebrations	In-app celebration when the user hits streak milestones, first insight, or growth achievements	✓	✓	✓	✓	✓	✓
Weekly insight digest notification	Weekly push summarising the user's emotional highlights — drives re-engagement with the insights tab	✗	✗	✓	✓	✗	✓

9 Customisation & Accessibility

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Light / Dark / System theme	Switch between light mode, dark mode, or follow the device system preference automatically	✓	✓	✓	✓	✓	✓
Language selection	Change the app UI and AI response language from the full list of supported languages	✓	✓	✓	✓	✓	✓
Font size control	Increase or decrease text size across the app for improved readability and accessibility	✓	✓	✓	✓	✓	✓

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Haptic feedback toggle	Enable or disable vibration on send/receive interactions — mobile only	✓	✓	✓	✓	✓	✓
Custom app icon	Choose from alternate app icons on the home screen — a cosmetic personalisation option (mobile)	✗	✓	✓	✓	✗	✓
Reply cadence / pacing	Set how quickly or slowly the AI types out replies (streaming speed) to suit reading pace	✗	✓	✓	✓	✓	✓
Search mode selection	Toggle between semantic search (meaning-based) and keyword search modes in history	✗	✓	✓	✓	✓	✓
Institution branding	Replace Imotara's logo and colour palette with the organisation's own brand assets across the app	✗	✗	✗	✗	✓	✓

10 Privacy & Security

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Encrypted cloud storage	All cloud-synced data encrypted at rest (AES-256) and in transit (TLS 1.3) on all tiers	✓	✓	✓	✓	✓	✓
Local-only / offline mode	Option to disable cloud sync entirely, keeping all conversation data on-device only — no server storage	✓	✓	✓	✓	✓	✓
Encrypted local storage	Mobile local storage (AsyncStorage) encrypted with a device-level key — prevents extraction if device is lost	✓	✓	✓	✓	✓	✓
Session token management	View and revoke active login sessions from account security settings — protect against unauthorised access	✗	✓	✓	✓	✓	✓
Data residency control	Choose the geographic region (EU, US, APAC) where the organisation's data is stored and processed	✗	✗	✗	✗	✓	✓
Audit logs	Immutable, tamper-evident logs of all admin actions, profile changes, and data access events	✗	✗	✗	✗	✓	✓
SSO / SAML integration	Sign in via the organisation's identity provider (Okta, Google Workspace, Azure AD) — single sign-on	✗	✗	✗	✗	✓	✓

11 Admin & Institutional

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Admin dashboard	Web panel for managing users, viewing org-wide usage stats, and configuring institution-level policies	✗	✗	✗	✗	✓	✓
User management	Add, remove, suspend, or reassign users within the organisation — full lifecycle control	✗	✗	✗	✗	✓	✓
Bulk user provisioning	Import users via CSV or SCIM, set default tiers and permissions en masse for rapid onboarding	✗	✗	✗	✗	✓	✓
Org-wide usage analytics	Aggregate engagement metrics: DAU, streak rates, session duration, feature adoption — for admins	✗	✗	✗	✗	✓	✓
Student / employee progress view	Anonymised per-user progress indicators visible to counsellors or HR leads — not full conversation access	✗	✗	✗	✗	✓	✓
Classroom / cohort mode	Group users into classes or teams; set shared companion tone policies for the cohort — EDU-specific	✗	✗	✗	✗	✓	✗
LMS integration	Embed Imotara within a Learning Management System (Moodle, Canvas) via LTI or iframe — EDU only	✗	✗	✗	✗	✓	✗
REST API access	Programmatic access to conversation summaries, emotion scores, and engagement analytics via REST API	✗	✗	✗	✗	✗	✓

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Custom integrations	Bespoke webhooks, HR system connectors (Workday, SAP), or custom AI model tuning — negotiated	✗	✗	✗	✗	✗	✓
Team / department management	Organise users into teams with separate policies, quotas, and sub-admins — for large orgs	✗	✗	✗	✗	✗	✓

12 Support

Feature	Description	Free	Plus	Pro	Family	EDU	Enterprise
Help centre & docs	Public help centre articles, FAQ, and community forum — self-serve support for all users	✓	✓	✓	✓	✓	✓
Email support	Submit support tickets via email with a guaranteed response within the stated SLA window	✗	✓	✓	✓	✓	✓
Priority support queue	Tickets routed to a faster queue; shorter first-response time compared to standard email support	✗	✓	✓	✓	✓	✓
Dedicated account manager	Named Imotara contact for onboarding, renewals, feature requests, and executive escalations	✗	✗	✗	✗	✓	✓
SLA guarantee	Contractual uptime and first-response time commitments — required for institutional procurement	✗	✗	✗	✗	✓	✓
Guided onboarding session	Live setup session with the Imotara team for org deployment — covers provisioning, policies, and training	✗	✗	✗	✗	✓	✓

U Upgrade Trigger Summary

Free → Plus (₹99/mo)

- Hitting the 10-reply/day cap regularly
- Need history beyond 7 days
- Want cross-device sync between phone and web
- Need to export conversations as PDF/CSV
- Want premium Azure Neural TTS voices

Plus → Pro (₹149/mo)

- Want emotion trend charts and mood graphs
- Need unlimited history (beyond 90 days)
- Want weekly summaries and monthly growth letters
- Interested in long-term growth arc tracking
- Want weekly insight digest notifications

Pro → Family (Custom)

- Multiple household members sharing one account
- Need child-safe profiles for minors
- Parent wants oversight via parental controls
- Need profile-level privacy isolation on shared device
- Want family-wide usage dashboard

Pro → EDU (Custom)

- Institution deploying for students or staff
- Need admin panel with usage analytics
- Require LMS integration (Moodle, Canvas)
- Need bulk user provisioning and SSO
- Data residency or compliance requirements

Pro / EDU → Enterprise (Custom)

- Corporate / HR / mental-health platform deployment
- Need REST API access for custom integrations
- Require child-safe mode for enterprise wellness programs
- Need team/department management with sub-admins
- Bespoke HR system connectors (Workday, SAP)
- Data residency, SOC 2 / ISO 27001 compliance
- Contractual SLA and dedicated account manager
- Custom AI model tuning for org-specific tone

D Family vs EDU vs Enterprise — Key Differentiators

Capability	Description	Family	EDU	Enterprise
Multiple profiles	Distinct user profiles with isolated history on one account	Up to 6	✓	✓
Child-safe mode	Age-appropriate AI responses; blocks sensitive topics	✓	✓	✓
Parental controls	Parent reviews child activity, sets limits, approves tone changes	✓	✗	✗
Family usage dashboard	Aggregated household engagement overview for the managing adult	✓	✗	✗
Admin dashboard	Org-wide management panel — users, policies, analytics	✗	✓	✓
Classroom / cohort mode	Group users into classes with shared companion tone policies	✗	✓	✗
LMS integration	Embed via LTI / iframe in Moodle, Canvas, etc.	✗	✓	✗
REST API access	Programmatic access to summaries and analytics	✗	✗	✓
Custom integrations	Bespoke webhooks, HR connectors, model tuning	✗	✗	✓
Individual data export	User-level conversation export (PDF, CSV, JSON)	✗	✗	✓
Bulk org export (admin)	Anonymised aggregate export via admin panel	✗	Anon.	✓
Institution branding	Replace Imotara branding with org assets	✗	✓	✓
SSO / SAML	Identity provider integration — Okta, Google Workspace, Azure AD	✗	✓	✓
Data residency	Choose geographic region for data storage	✗	✓	✓
Audit logs	Immutable log of admin actions and data access events	✗	✓	✓
SLA guarantee	Contractual uptime and response-time commitments	✗	✓	✓

Capability	Description	Family	EDU	Enterprise
Dedicated account manager	Named contact for onboarding, renewals, escalations	✗	✓	✓
